### How To Enroll Fact Sheet

If you want to enroll in a health insurance plan through Covered California, or want more information for yourself or others you know who might be interested, here's what you can do next:

Visit the website:

[CoverdCA.com](https://CoverdCA.com)

You can enroll directly on the Covered California website. You can also shop and compare between health plans, find out how much financial assistance you're eligible for, find someone near you to help you fill out the application, or learn more about Special Enrollment.

Call the phone line:  
1-800-300-1506

Get free, confidential assistance from a Certified Enrollment Counselor who can walk you through the enrollment process and get you signed up while on the phone.

Find help locally:

There are more than 500 Certified Enrollment Agents throughout the state ready to help you enroll in a health insurance plan. Go online or call the phone line to find one near you and make an appointment for an in-person, free and confidential meeting.

What you should  
bring to a meeting:

For each family member that is applying for health insurance, bring the following:

- Proof of Income
- California ID or Driver's License – for the person who is applying for the family
- US Passport, Legal Resident Card or Certificate of Citizenship or Naturalization Document

What you should  
know:

For each family member that is applying, you should know the following information:

- Birth Dates
- Social Security Numbers
- Home ZIP codes
